

## **Please Support our Annual Bible Campaign**

Tragically, over 65% of the Released Time students do not attend church and they receive their only Christian training through RTCE. We have many children ready to know what the Bible says. It is up to us to share His truths and point them to Jesus Christ! This ministry also greatly benefits those children who regularly attend church.

Currently, there are over 320 students enrolled in Released Time classes from 23 elementary schools within the Chino Valley Unified School District. It is our prayer the students who graduate from the program in May will receive their very own children's Bible as a gift from you.
